Onboard welcome

Your Executive Private Jet, which normally seats up to 40 passengers, has been custom-fitted for up to 15 travelers with luxurious leather club seats, providing you with the highest standards of comfort. These Jets are intimate in scale, with posh interiors typically reserved for heads of state, royalty and, of course, Lakani guests.

Your Executive Private Jet takes you directly to smaller airports that are closer to our chosen destinations, allowing for flexibility and creativity in itinerary design. With the exception of a few short flights from Nosy Be to Anjajavy, Mahe to Praslin, Dar Es Salaam to Selous, Johannesburg to Singita, where airstrips necessitate a light aircraft charter, all flights are on your Executive Private Jet. Experience flying from and to private airport terminals where security clearance is faster. Enjoy time in the air that is never too long; the average flight time is three hours or less.

These are the advantages that make private jet travel the ultimate in luxury vacations. Your cabin attendants are gracious, enthusiastic and will anticipate all of your in-flight needs. You also have the peace of mind that comes with knowing that the chartered aircraft operates at the highest standards of safety and security. The camaraderie of fellow travelers, professional tour managers, hand-selected flight crew, vintage wines, champagnes and top cuisine combine to make your Lakani Private Jet Tour memorable and rewarding.

The fourth largest island in the world is situated off the southeast coast of Africa. Archeological evidence shows that the island has been inhabited since 2000 BC. It was ruled as the Kingdom of Madagascar until its collapse in 1897 when it was absorbed into the French colonial empire. The island gained independence in 1960 and is now a constitutional democracy.

Having developed in isolation, the island nation is famous for its unique wildlife and is considered a biodiversity hotspot. Most of all flora and fauna species found in Madagascar are endemic, including the lemurs for which it is known.

Also notable is that huge population of rare wild dogs.

Siwandu is located on the shores of Lake Nzerakera, which is part of the Rufiji River system. It is perfectly positioned to give you an awesome wildlife viewing experience in the Selous Game Reserve.
