*Redefining the Classic European Tour*

## Lakani Philosophy

When Heidi Lakani founded Lakani World Tours in 2003, she established a set of four fundamental principles that have become the cornerstones of the company. Experience and Innovation guide the creation of each itinerary. Quality and Value are included in every tour program. Service begins the first time you call and continues until the end of the journey. Integrity permeates the company in our communication with you and with whom we conduct business.

Dear Friends,

It is with great pleasure that we present this exciting Europe Rediscovered Tour by Private Jet for our 15th Anniversary in 2018. We begin in one of my favorite cities, Zurich, Switzerland, at the stunning Baur au Lac Hotel. Enjoy an excursion to Lucerne and the Rhine Falls before we jet off to the Amalfi Coast of Italy. Traveling by private jet provides a lot of flexibility in scheduling, so we'll be touching down in Greece for a visit of Corfu on our way to Albania. Tirana is the heart of Albania and travelers find its antiquities as well as the more modern-day architecture and culture fascinating. Discover Poland's, Gdansk, center for the world's amber trade located on the Baltic coast. Then we'll see the old town and castle of Bratislava on the way to our final destination of Munich, where you will have a choice of activities.

All along the way, delight in fabulous accommodations specially chosen for their location and ambience. Meals are always included in Lakani Private Jet Journeys, and with our Signature Dine by Choice you can sample dining as the locals do. With the services of expert Tour Managers and hand-selected crew, you will feel pampered and completely at ease on this extraordinary sojourn through some of Europe's gems. Won't you join us?

Best traveling wishes,

Heidi Lakani  
President

## Lakani's Dine by Choice

One of the most thrilling aspects of travel is the opportunity to taste the local flavors of each destination. This is why Lakani includes the exclusive *Dine by Choice* meal program in each private jet journey. This feature gives you flexibility and a way to personalize your traveling experience. Dine where, when and with whom you choose. If you fancy a quiet evening in the comfort of your luxury hotel room, then order room service. Wander down to one of the dining options located in your hotel. But for those who want to experience the local specialties and ambience of the city, journey outside your hotel to the restaurant of your choice. And don't forget to seek the help of your tour manager who will assist you with suggestions and reservations.

## Luggage One-Touch

For 15 days, enjoy the best Europe has to offer without any care. Our exclusive "luggage one-touch" service assures that once your luggage arrives in Zurich, you won't have to handle it again until after your departure from Munich.

## Your Personal Concierge

Winging your way around Europe aboard a Lakani Luxury Private Jet is the most stress-free and relaxed way to travel. Your professional tour manager will take care of all the details, leaving you to enjoy every moment of your luxury private jet journey. He will ensure that arrival and departure formalities are smooth and efficient, hotel rooms are ready when you are, and sightseeing is maximized to make the best use of your valuable time. Consider your Lakani Tour Manager your personal concierge who makes restaurant reservations for your *Dine by Choice* pleasure, assists you with personal shopping and is at your disposal 24/7.

No request is too big, too small, or too difficult because the Lakani Tour Manager is devoted to making your travel experience special and memorable.

# EXPERIENCE THE DIFFERENCE...

*On our Private Jet Journey to Europe*

## ◆ FEEL THE DIFFERENCE

Step aboard your Private Jet and immediately feel the spacious comfort of your home in the sky, a huge departure from the perception that private jets are small and somewhat cramped. Stand up, walk about, and stretch out as often as you wish. Your wellbeing is of our utmost importance.

## ◆ KNOW THE DIFFERENCE

Be reassured in knowing that the beautifully decked out super mid-sized jet has a capacity of 40 or more passengers, but it has been totally reconfigured for just 15 travelers in luxurious leather club seats.

## ◆ FLY THE DIFFERENCE

Immerse yourself in a distinct air travel experience aboard a totally dedicated luxury jet for your journey. Imagine you can store your excess luggage aboard until you need it. Appreciate the distinguishable difference from other "regional" jets.

## ◆ EPICUREAN DELIGHTS

Travelers marvel at the innovative gourmet cuisine which are chef prepared with flavors representing the places visited along the way. With the remarkable in-flight catering, any special requests you may have, will be attended to.

Our guests tell us that traveling by Lakani Private Jet is the ultimate way to see the world. Here are the primary reasons why.

Time is valuable and you want to make the most of it. Check-in and security at the airport is quick and easy while traveling on the private jet. We are usually on our jet minutes after arriving at the terminal because we often fly from private airport or terminals with faster security clearance and fewer travelers. Our Legacy 600 or Lineage 1000 private jets allow access to smaller airports close to our destinations, giving us ultimate flexibility and creativity in itinerary design, and making it possible to begin your touring, while scheduled travelers are still at the airport.
