◆ FEEL THE DIFFERENCE

Step aboard your Private Jet and immediately feel the spacious comfort of your home in the sky, a huge departure from the perception that private jets are small and somewhat cramped. Stand up, walk about, and stretch out as often as you wish. Your wellbeing is of our utmost importance.

◆ KNOW THE DIFFERENCE

Be reassured in knowing that the beautifully decked out super mid-sized jet has a capacity of 40 or more passengers, but it has been totally reconfigured for no more than 15 travelers in luxurious leather club seats.

◆ FLY THE DIFFERENCE

Immerse yourself in a distinct air travel experience aboard a totally dedicated luxury jet for your journey. Imagine you can store your excess luggage aboard until you need it. Appreciate the distinguishable difference from other "regional" jets.

Lakani's Dine by Choice

One of the most thrilling aspects of travel is the opportunity to taste the local flavors of each destination. This is why Lakani includes the exclusive Dine by Choice meal program on each private jet journey. This feature gives you flexibility and a way to personalize your traveling experience.

Dine where, when and with whom you choose. If you fancy a quiet evening in the comfort of your luxury hotel room, then order room service. Wander down to one of the dining options located in your hotel. But for those who want to experience the local specialties and ambience of the city, journey outside your hotel to the restaurant of your choice. And don't forget to seek the help of your tour manager who will assist you with suggestions and reservations.
