ONE OF A KIND
ESCORTED SMALL GROUP TOURS

A collection of 2018/2019 Travel Experiences
The Lakani World Tours logo is intentional in its design. The four directional points represents our experience in travel to the far corners of the world, as well as the four fundamental principles which guide each program we create.

Every Lakani World Tours program includes the best sightseeing and services that the area has to offer. While we recognize that quality does not come cheaply, we provide value through our experience and strong relationships with proven suppliers.

The Lakani team provides honest answers, objective advice and strong commitments. We also offer the usual industry assurances and safeguards: we are a registered California Seller of Travel. Naturally, references are available.

The Lakani team of seasoned industry veterans draws from their experience and their never ending quest to uncover new and unusual sights, activities and lodging to share with travelers.

We believe that attitude is everything. Service begins the first time you call us and continues throughout your entire journey. The Lakani Travel Specialists and its team of expert Tour Managers consistently endeavor to anticipate the desires and expectations of every Lakani traveler.
A Letter From The President

Traveling opens our hearts and minds to cultural understanding and helps us gain respect for people with contrasting traditions. With nearly 4 decades in travel, I have been privileged to have had the opportunity to visit some of the most remote locations as well as top rated cities. Each place has its own gifts to offer and leaves indelible memories.

World travel at its best simply describes the experiences you can expect from Lakani World Tours. I have spent all of my adult life making sure that travelers’ expectations are not only met, but exceeded. It is with that goal in mind that we create every Lakani journey with unparalleled service and individual attention in a congenial atmosphere. When you travel on a Lakani Escorted Small Group Tour you benefit from the small group size – no more than 14 guests on each journey. Our goal at Lakani is to provide you with a travel experience filled with enrichment, enjoyment and unforgettable impressions of each destination.

Working alongside some of the industry’s true pioneers and legends for many decades prepared me to form Lakani World Tours 15 years ago. Operating thousands of tours has given me a unique perspective and personal vision on how to provide the very best in travel. Each member of the Lakani team is an industry veteran with wide-ranging experience. You can be sure that your tour is created and operated with the utmost care. We intentionally focus on a narrow segment of the travel market, devoting our resources to quality and value rather than high volume. Our natural growth through repeat business and referral is a testament to our success.

My love for travel began early in life, but my passion for finding new ways to enhance the travel experience for our guests increases with each passing year. I look forward to the opportunity to show you the world’s most exotic, magnificent and interesting destinations with incomparable style.

Best traveling wishes,

Heidi Lakani
