Dear Friends,

*After many years of traveling through Europe, I believe that this itinerary for 2018 is one of the most unusual collection of European destinations that I have seen offered in one trip - Europe's Off-The-Beaten-Path . Of course, traversing the continent by private jet makes it not only possible, but seamless. In the pages ahead, learn the details of the journey that takes us from Madrid, Spain to Trieste, for a look at the Italian medieval city, on the way to Portoroz, Slovenia. Then, enjoy a real treat in Arctic Sweden where we'll stay at the ICEHOTEL 365 – yes, in summer! It simply must be experienced to be believed. Following a northerly route, the next stop is the remarkable Faroe Islands (weather permitting) before we fly south to the British Isles. Here we'll become immersed in Celtic culture and history in Wales, and then cross the Irish Sea to Belfast and Dublin.*

*In Lakani style, you'll enjoy deluxe accommodation, suites where offered along the way, fine dining, unforgettable sightseeing, and service fit for royalty. It is truly an Unusual Europe by Private Jet voyage not to be missed.*

Please join us.

*Experience remarkable dining enjoyment with our Dine by Choice meal program*

## Lakani's Dine by Choice

One of the most thrilling aspects of travel is the opportunity to taste the local flavors of each destination. This is why Lakani includes the exclusive *Dine by Choice* meal program in each private jet journey. This feature gives you flexibility and a way to personalize your traveling experience. Dine where, when and with whom you choose. If you fancy a quiet evening in the comfort of your luxury hotel room, then order room service. Wander down to one of the dining options located in your hotel. But for those who want to experience the local specialties and ambience of the city, journey outside your hotel to the restaurant of your choice. And don't forget to seek the help of your tour manager who will assist you with suggestions and reservations.

## Luggage One-Touch

For 15 days, enjoy the best Europe has to offer without any care. Our exclusive "luggage one-touch" service assures that once your luggage arrives in Madrid, you won't have to handle it again until after your departure from Dublin.

## Your Personal Concierge

Winging your way around Europe aboard a Lakani Luxury Private Jet is the most stress-free and relaxed way to travel. Your professional tour manager will take care of all the details, leaving you to enjoy every moment of your luxury private jet journey. He will ensure that arrival and departure formalities are smooth and efficient, hotel rooms are ready when you are, and sightseeing is maximized to make the best use of your valuable time. Consider your Lakani Tour Manager your personal concierge who makes restaurant reservations for your Dine by Choice pleasure, assists you with personal shopping and is at your disposal 24/7. No request is too big, too small, or too difficult because the Lakani Tour Manager is devoted to making your travel experience special and memorable.

# EXPERIENCE THE DIFFERENCE...

*On our Private Jet Journeys to Europe*

## ◆ FEEL THE DIFFERENCE

Step aboard your Private Jet and immediately feel the spacious comfort of your home in the sky, a huge departure from the perception that private jets are small and somewhat cramped. Stand up, walk about, and stretch out as often as you wish. Your wellbeing is of our utmost importance.

## ◆ KNOW THE DIFFERENCE

Be reassured in knowing that the beautifully decked out super mid-sized jet has a capacity of 40 or more passengers, but it has been totally reconfigured for just 15 travelers in luxurious leather club seats.

## ◆ FLY THE DIFFERENCE

Immerse yourself in a distinct air travel experience aboard a totally dedicated luxury jet for your journey. Imagine you can store your excess luggage aboard until you need it. Appreciate the distinguishable difference from other "regional" jets.

## ◆ EPICUREAN DELIGHTS

Travelers marvel at the innovative gourmet cuisine which are chef prepared with flavors representing the places visited along the way. With the remarkable in-flight catering, any special requests you may have, will be attended to.

**Our guests tell us that traveling by Lakani Private Jet is the ultimate way to see the world. Here are the primary reasons why.**

Time is valuable and you want to make the most of it. Check-in and security at the airport is quick and easy while traveling on the private jet. We are usually on our jet minutes after arriving at the terminal because we often fly from private airport or terminals with faster security clearance and fewer travelers. Our Legacy 600 or Lineage 1000 private jets allow access to smaller airports close to our destinations, giving us ultimate flexibility and creativity in itinerary design, and making it possible to begin your touring, while scheduled travelers are still at the airport.
