Thornybush Game Reserve

Shumbalala Game Lodge

It's a vast, wild place where the lions roam at Shumbalala Game Lodge, the lions roam deep in the Thornybush Game Reserve, one of the country's great tracts of untamed game-viewing. Your luxury lodge is situated on the banks of the Monwana River. Two game drives are conducted at the best suited times of the day to maximize the number of sightings.

A typical day starts with an early morning game drive directly after morning coffee. The adventure continues as you return back to camp to freshen up before a sumptuous brunch. There is time for a bush walk, relaxation by the pool, in the library or on the deck enjoying the sights and sounds or enjoy some bird watching. Following afternoon high tea the game drive continues into the night with a stop in the bush for sundowners to mark the splendor of the sunset over the mountains. The game viewing at night offers the opportunity to view the nocturnal animals including the possibility of lions on the prowl.
