Onboard welcome

Your Executive Private Jet, which normally seats up to 40 passengers, has been custom-fitted for up to 15 travelers with luxurious leather club seats, providing you with the highest standards of comfort. These Jets are intimate in scale, with posh interiors typically reserved for heads of state, royalty and, of course, Lakani guests.

Your Executive Private Jet takes you directly to smaller airports that are closer to our chosen destinations, allowing for flexibility and creativity in itinerary design. With the exception of a few short flights from Maun to Chobe National Park and from Phinda Game Reserve to Johannesburg, where airstrips necessitate a light aircraft charter, all flights are on your Executive Private Jet. Experience flying from and to private airport terminals where security clearance is faster. Enjoy time in the air that is never too long; the average flight time is three hours or less.

These are the advantages that make private jet travel the ultimate in luxury vacations. Your cabin attendants are gracious, enthusiastic and will anticipate all of your in-flight needs. You also have the peace of mind that comes with knowing that the chartered aircraft operates at the highest standards of safety and security. The camaraderie of fellow travelers, professional tour managers, hand-selected flight crew, vintage wines, champagnes and top cuisine combine to make your Lakani Private Jet Tour memorable and rewarding.
