A Letter From The President

Dear World Travelers,

It is with great pleasure that we present to you our collection of Group Tours for 2020. These itineraries are crafted to meet the needs of those travelers that enjoy traveling in the company of like-minded people, some of whom form long-lasting friendships. With just 8-14 guests on each departure, you have access to luxury boutique hotels and lodges, authentic encounters with locals, travel in private planes and boats, private performances, and generally enjoy a more personalized experience.

Travel through Italy’s Tuscan and Umbrian countryside, with UNESCO World Heritage Site hilltop villages, cheese and wine tastings; dinner at a medieval stone house restaurant owned by a Michelin Starred Chef, and a visit to the estate of Italian designer, Brunello Cucinelli. Step back in ancient history on a journey through Israel, Jordan, and Egypt where you explore archaeological treasures in modern-day comfort. Fly aboard private charter aircraft as you explore splendid temples, majestic mountains, and spiritual culture of India, Nepal, & Bhutan on an extraordinary journey. Discover the landscapes, art, and colonial heritage of Colombia by private charter flights, and see why the country is a top producer of quality coffee. Or take in the incredible scenery, natural wonders, Maori culture, and adventure of New Zealand on a journey using private planes to fly on a schedule that allows the flexibility to see the best of the North and South Islands.

Accompanied by a Lakani Tour Manager, who acts as your personal concierge, delight in luxury accommodations, enjoy the chance to dine where and when you please on Lakani’s Signature Dine by Choice program, and you can leave your wallet at home with the all-inclusive nature of these programs. Ideal for single travelers, couples, or friends, these tours are only available in 2020 with one or two departures only. We hope you can join us.

With best traveling wishes,
Heidi Lakani

Sustainable Tourism

Lakani is strongly dedicated to the principles of responsible tourism. We endeavor to protect the environment, economy, and the cultures of the destinations that we include in our programs. With that effort in mind, we choose destinations that support sustainable tourism. For instance, New Zealand has created a board that is dedicated to promoting sustainability in all the tourism businesses in the country and are committed to seeing all of them complying by 2025. Watch for evidence of that endeavor in the areas you visit.

Bhutan has earned a reputation as an exclusive and distinctive destination while ensuring long-term sustainability. This is due to the control of tourism in terms of types of trips and quantity of visitors right from the start. Bhutan’s leaders were keenly aware that an unrestricted flow of tourists could negatively impact the pristine environment and unique culture, so limits have been set, making this truly a special destination.

When visiting Israel, it is clear that there is a need for water conservation and guests are encouraged to adhere to the guidelines set by the establishments in which we stay. While traveling throughout the country we encounter diverse traditions and we urge travelers to respect all residents by being sensitive to all cultural traditions.

Colombia is rich in biodiversity, with over 1500 kinds of orchids that can’t be found anywhere else in the world, prompting many travelers to visit the country. The government is determined to see that the increase in tourism is sustainable and community based. Therefore, they are certifying cities and towns that comply with sustainable tourism regulations to provide wealth, productivity, and opportunities for all, while protecting the environment and culture. You may notice that Bogota is becoming greener, with a bicycle path throughout the city, and by closing roads to cars on Sundays.
Escorted Group Tours

An all-inclusive, fully escorted and highly personalized travel experience to exotic locations perfectly describes the Lakani Group Tours. Intimate parties of no more than 14 people travel under the leadership of an experienced, knowledgeable, service-oriented Tour Manager. When Lakani says all-inclusive, we mean all-inclusive, from the time you arrive – until the last day of the tour. All sightseeing, accommodations and meals are included in the cost, except for caviar and alcohol. Bottled water, soft drinks, coffee or tea are provided with meals. And gratuities to all but the tour manager are included in the price.

Luggage One-Touch

Enjoy the best that your vacation has to offer without any worries about your luggage. Lakani’s exclusive “luggage one-touch” service assures that once your luggage arrives in the first city of the journey, you won’t have to handle it again until after your departure from the last city of the tour.

Dine by Choice

Touring with Lakani is personal and flexible due to opportunities like the “Dine by Choice” program. Enjoy a private dinner for two at a local eatery of your choice, join traveling companions in the hotel’s fine dining restaurant or relax in your room and order room service. Fancy breakfast in bed? It’s your vacation and you deserve the luxury of choosing your own way of dining on your Escorted Group Tour. And it’s included in the cost of your tour!

Comprehensive Sightseeing

Join a Lakani Escorted Group Tour and you will never be expected to purchase optional excursions along the way. Lakani has already done the research and included the most interesting sights with entrance fees all paid for. While other tour companies leave these as options to purchase en route, Lakani includes these must-see sights in the cost of your tour.

Additionally, you have the advantage of enjoying these highlights in the company of expert English-speaking guides specially chosen for your journey.
ONE OF A KIND TRAVEL EXPERIENCE

Be inspired. Indulge in an exclusive and unique opportunity. Lakani’s “One of a Kind Escorted Group Tours” celebrates special moments of each destination – with usually only one departure at the optimum travel time. Keeping in mind your valuable time, each tour is designed to give you flexibility and personalization. By traveling in private chartered aircrafts and utilizing luxurious vehicles, it allows you just the right amount of time at each site. Your journey with an intimate party of like-minded travelers and your Lakani Personal Concierge (Tour Manager) will be one you will remember for many years to come.

Locally Chartered Aircraft

Most of the journeys in this collection of Group Tours are using privately chartered flights to take you from place to place. With the limited number of guests, it is possible to take advantage of chartering planes to allow for more flexibility and to give you more time in each destination. Chartered flights often leave from exclusive terminals, offering efficiency in departure and arrival procedures as well as less traffic getting to and from the airport. You will also enjoy the added comfort on board.
I’D RATHER LOOK BACK AT MY LIFE AND SAY “I CAN’T BELIEVE I DID THAT,” THAN SAY “I WISH I DID THAT.”
