

# 2021 PRIVATE JET JOURNEYS

*Unique Itineraries*  
*Small Groups • 16 – 18 Days • Incredible Value*

*A Compendium of Explorations & Cultural Connections.*  
*Let the Adventure Begin*

Dear Travel Friends,

We are pleased to present to you a preview of four distinct and discerning Private Jet Journeys for 2021. Each trip has been carefully designed to show you extraordinary sights, some of which are quite off-the-beaten-track, with Suite Accommodations in remarkable properties and in just 16 -18 days – the ideal travel time for many people.

The Private Jet Aircrafts offer you luxury leather club seating for maximum comfort, hand-selected crew for the excellent service for which we are known, and innovative gourmet cuisine that is chef prepared with flavors representing the places visited along the way. By using a private jet, we can offer you exclusive itineraries with direct flights, usually only a few hours and no more than six. In addition, you'll note that we have added stops for sightseeing between destinations. A touch down in Skopje, Macedonia to see Mother Teresa's home and Palma de Mallorca to view the remarkable Royal Palace of La Almudaina. These are only possible on a private jet journey.

There are two very different itineraries for Europe, one for Africa, including Madagascar, and one World Journey. You'll find a variety of experiences – wildlife, cultural, architectural, and historic – and there are private encounters with artists and experts in their fields. As you review each program, please keep in mind that membership is limited to 15 to 18 participants which is unlike any other private jet trip offered by other companies. The Lakani *Dine by Choice* allows you to personalize your experience. Lakani's signature *Luggage One-Touch* means you'll not need to worry about your suitcases from the time you join the tour until you leave at the end of the journey.

We hope that one or more of the journeys outlined within this brochure appeals to you and your sense of adventure. If that is the case, please contact your preferred travel advisor or our office as quickly as possible. With the small group size of 15 - 18 guests per departure, an optimum travel length, and the exclusivity of the accommodations, these are all features that are favored most by today's discerning traveler and is the reason why each trip sells out quickly. So please make sure to reserve your spot early to avoid disappointment.

We look forward to welcoming you on board.

With best traveling wishes,

*Heidi Lakani*

You'll enjoy private parties, exclusive cultural encounters, and behind the scenes experiences.

## *Luxuriate In Sumptuous Suites*

Luxuriate in sumptuous suites in hotels and lodges chosen for their proximity to wildlife, historic treasures, and cultural attractions. Delight in the special features of each place, whether it is private plunge pools, spectacular sea views, gastronomic specialties, or unrivaled service. You can be sure that you will be comfortable, secure, and will have an extraordinary experience.

## *Enchanting Encounters Along the Way*

There is something very special about conversing with a local artist or chef as you watch them work their magic in their craft. Or perhaps it is getting to visit with a local tribe and learning about their fascinating traditions. Lakani knows that these extraordinary moments are likely to be some of the most unforgettable on your vacation, so it is important to include as many opportunities as possible.

### *Dine By Choice – Your Way*

One of the pleasures of traveling is the freedom to sample culinary specialties of each region. Sometimes you just want to sit in a charming bistro, or you may wish to experience fine dining in a local restaurant, or perhaps enjoy your meal in the comfort and privacy of your room. We designed our Dine by Choice program with all those freedoms in mind – so that you can enjoy your trip in your own way.

### *Dedicated “Concierge” At Your Service*

Consider your Lakani Tour Manager your concierge, who will take care of your every need all along the way. From restaurant reservations to finding that special gift, your concierge is on hand to help you. With decades of experience leading private jet trips, the Lakani Tour Managers are experts at making sure that you get the most out of your vacation.

Let us not forget that our world is precious; the land and its inhabitants must be protected. Lakani is strongly dedicated to the principles of responsible tourism.
